

# Delete Your Dwarf?

Are misplaced or deleted files bogging down your creative team? Then consider NXN alienbrain.

Our award-winning asset management system provides your artists and animators with the peace of mind they need to stay productive through the most challenging phases of your project. Intuitive version control for art, flexible search mechanisms, built-in workflow and innovative integrations for commonly used 2D and 3D tools let your artists spend their valuable time perfecting artwork, not looking for it. Don't throw time away.

**TAKE CONTROL** of your assets

alienbrain

NXN alienbrain starts for as little as \$690 a seat.

Test drive NXN alienbrain 6.0 at GDC 2003, Booth 524.
